DATES:
3rd to 12th SEPTEMBER 2016

GEM
Green Energy Management

DESCRIPTION:
The 3rd Edition of GEM (Green Energy Management) Summer School is taking place in Erice (Sicily). It aims to provide international students with a context sensitive first-class training in the field of Green Energy Management and renewable resources. Leading scientists from Europe and industrial and institutional partners will be part of the teaching staff, bringing in their expertise and experience. Visits to local research laboratories will also be organized. The program will be held at: Ettore Majorana Centre in Erice (Sicily); a unique location famous for its beauty, history and scientific relevance, will provide the faculty and participants to engage in dialogue and knowledge sharing.

PROGRAM COORDINATOR:
Prof. Silvana Stefani
